

Travel Sets:

miamoo is the only set out there that contains products large enough to last a few days away, yet is compact and light enough to slip into a handbag. It's also the only one capable of being used for travel and gifting.

Product Name	How many products do I get?	Any Extras?	Size of products	What do I get?	How much?	How big?	How heavy?	What's it look like?	What's it good for?
